TruGen3

Three Generations of Truth in Nutrition

Advanced Formula to Support Ultimate Longevity

- 1 Powerful bioactives that optimize mitochondria function and promote the reduction of free radicals to support optimal cardiovascular health.
- 2 Dramatically improved bioavailability compared to standard omega-3 and coenzyme Q10 formulations.
- 3 Addresses issues related to poor absorption, such as age, diet and gender, while significantly mitigating food dependency.

POWERED BY VESISORB®

- ✓ Patented and Clinically Proven Delivery System
- ✓ Dramatically Increases Bioavailability
- ✓ Long History of Safe and Effective Use
- ✓ Improves Shelf Life and Stability

QUALITY ASSURANCE

- ✓ Triple Lab Tested (ISO17025)
- ✓ Non-GMO
- ✓ Gluten Free
- ✓ Dairy Free

Combat Aging with Superior Absorption.

QmegaTG3 is a powerful blend of natural omega-3 fish oil and coenzyme Q10, two of the most science-backed essential ingredients that support cardiovascular health and ultimate longevity. This advanced formulation has been scientifically designed by a team of medical professionals and ensures the highest potency and purity to deliver superior health benefits. QmegaTG3 utilizes a clinically proven delivery system, VESISORB®, for dramatically improved absorption and bioavailability of these key nutrients.

SUPERIOR RESULTS BACKED BY SCIENCE

- 
- **Omeg-3 Fish Oil** (1,000 mg)
 - EPA Essential Fatty Acids
 - DHA Essential Fatty Acids
 - **Coenzyme Q10** (200 mg)

ABSORPTION COMPARISON STUDIES

Liu, Z.; Artmann, C. Relative Bioavailability Comparison of Different Coenzyme Q10 Formulations with a Novel Delivery System. *Alternative Therapies* 2009, 15;2 42-46.
